Officers / Department Reports:

Treasurer

- Bank balance: \$99,075
- Grooming Budget: \$25,435

Grooming Report:

- **Grooming Plan - Larry Krug - "plan your work, work your plan!"**
 - Groomed to Farewell twice
 - Groomed the "loop" and 42, midnight ranch is on near term schedule
 - 490-418 is being plowed to support logging operations
 - Lack of snow especially, around the cat house, is preventing us from getting up into the higher ground. The club has decided it is better to wait for more snow than to damage our equipment
 - The "loop" is marked, 42 to be marked later this week
 - The Q-Trail "ditch" has been partially filled. We conducted a "snow shoe site visit" with the USFS... more to come
 - Maintenance:
 - Cat blew front blade block feed hose
 - Tiller hose brackets have been repaired - thanks to Wayne Warnke
 - Two grouser bars replaced
 - Schedule
 - We handed out the groomer plan/schedule. The plan shows that we will groom 5 days per week (wx/maintenance permitting). SLO will be grooming at least one day a week (at their discretion). We are projecting a 12-15K shortage ... although the lack of snow may mitigate any overruns.

Member Report:

- CSA: 61 members
 - Note: grooming funding is not based on membership numbers

Old Business:

- **Work Sled**
 - Both sleds went to the shop for yearly maintenance; cost: \$1,900 for parts/labor
- **Donation marketing:** The plan is to target the 80428 zip code. Ron Wendler is helping to

- complete this
- **Club ride:** Still TBD, comments can be provided on our website. Propose that maybe we do some kind of treasure hunt..
 - **Poker Run:** The [Poker run](#) is scheduled for March 23. The team has decided that the **North Routt Charter School** will partner up with the club. The 2nd planning meeting was held tonight. The team is firming up tasks/timelines. We are planning on 5-6 stations so far. "pray for snow" was offered up!

New Business

- **Avalanche Class:**
 - [Avalanche Savvy](#) presented some ideas about how to structure a class. They informed us about their USFS permits in the Hayden region. The club officers were interested in learning more. The group is willing to structure anything for us including extending discounts to club members
- **"gift"**
 - The club has been "given" a 10' pan/drag. The club will be driving up to Wyoming to pick that up soon

Meeting Adjournment:
