Grooming Report:

- February hours: 103 **total: 223**
- Grooming clinic was a success, may generate some new grooming operators
- Groomer has been down since Feb 23, more specifically, the groomers tiller's mounting frame is broken. The club procured a new tiller, which did not fit. Mtn States is coming to set up the new tiller and maybe set up the cat to pull the new pan.
- Mtn States has a 2018 Prinoth Bison with 18,00 hrs. The cat is for sale at \$200,000 or available for lease at: \$20,000 per month - lease payments can be applied towards purchase. If the club pursues this unit, it could be put into service Friday, March 8.
- **MOTION** - That the club should enter into a one month lease agreement - **PASS**
- **Other:**
 - The USFS says that if the club marks the trees on the trails that are causing us problems, they will send in a team to remove them
 - SPOT - our emergency responder radio, is outdated and only supports one way communications. The club believes that we should update this transponder to the newer version which has support for two way texting (and other 'no-cost' texting options)
 - **MOTION** - That the club upgrade its spot device to the newest version - **PASS**
 - **Poles** - We will probably start pulling trail poles/signs the week after the poker run

Member Report:

- CSA: 59 members

Old Business:

- **Club ride:** TBD (no responses provided)
- **Poker Run:**
 - The team is in its final push to formalize sponsorships, collect monies and prepare for the poker run
 - The radio add (KBCR) was recorded today (March 5) and will start airing soon
 - 4 of the 7 stations are currently open

New Business

- **Snowmobiling club grants:**
 - The statewide club grant meeting is scheduled for June 11. We will be submitting a package for a snowcat, we might also submit a second grant request for updating our snowcat facility
