Grooming Report:

- **Hours Groomed:**
 - **Total: 70 hours** (normal for the month of December)
 - **Bison: 18 hours** including one trail improvement attempt on the Q trail - where the cat actually slid into the drainage and was stuck for a few hours. (needless to say, we are not going to try that again). We will be looking at installing some ice cleats on the tracks. On another note, the PB has a full brush guard which has proven to help avoid significant damage to the skin as well as the windshield. Considering a windshield costs somewhere around \$3,000, the club is considering buying/installing a brush guard for the bison.
 - **Pisten Bulley: 52 hours** ... 6 grooming events - currently parked at [Vista Verde](#) - grooming includes Farwell to Diamond Park, Seedhouse and the Lost Dog loop
 - Status: every trail has been groomed at least once. [CSR](#), utilizing two snowcats, have groomed 3 times. [SLO](#) has groomed once. Normally, different than this year with such little snow and warm weather, we would be grooming at least 4x per week.
- **CatHouse:** Electrical complete and signed off. The heats on! ... Cost Detail handed out at the meeting.

Old Business

Poker Run: The Poker Run team met last week. [KBCR](#) and [Tundra RealEstate](#) will both sponsor at the "Title" level... Thanks!. Steamboat Powersports will be manning Station #1

OHV Grant: The grant submitted for \$21,000, will be reviewed March 25-27. We are hopeful for a positive outcome.

Club Rides:

- The club has decided that they will be sponsoring two club rides this year
 - [Full Moon Ride](#) - Jan 31 - The **Full Moon Club** ride had a great turnout. We had a **LARGE** fire and, as we always say, "those who participated had a great time"
 - [Parade of Garages](#) - Feb 28 - The "**Parade of Garages**" a simple ride where we tour 3 properties in the Hahn's Peak, Steamboat Lake triangle. The club is working through appetizer details and other nits... again.. please monitor our [Facebook](#) page for last minute details and RSVP if you plan on attending.

New Business

- **Trail Polling:** Some areas just don't have enough snow to support our poles. We do intend to put out a few more poles for areas where we can. If you can help... contact us at: northrouthsnowriders@gmail.com
