Grooming Report:

- **Snow** - We had 6-18" of new snow - normally not a big deal, but for this year ... worth noting
- **Status** - Q trail filled in, we could get the cat out to groom the farwell loop, divide and over to 42. We also groomed lost dog, upper diamond park, diamond park to farwell, back down to seedhouse
- **Grooming ops have been suspended...**
- **Work Sleds** - Both of the clubs working sleds are working, reverse gear has been fixed on one, missing bogie wheel on the other, both sporting new batteries
- **Gremlins** - We are still chasing an intermittent low-voltage alert on the Bison. The PB has one bogie wheel chewed up and a minor leak coming from the front mounted manifold block controlling the front blade.

Old Business

Poker Run: The Poker Run has been **cancelled** (due to lack of snow below 8,500 ft). We will still make our \$6,000 donation to the Together we Ride group. Sponsors will be contacted about our decision and we will provide them options to refund, pass on, or keep any monies they donated.

OHV Grant: All grants will be reviewed between March 25 and 27

Parade of Garages: This was fun, Greg "little fire" had been renamed to Greg "bigger fire" :) . If you had fun on our social rides, let us know ... we will schedule more next season!

New Business

- **Next public meeting (scheduled for April 7, 2026):** A **motion** was submitted, seconded and approved to **cancel** our last meeting of the season (the April meeting was added a few years ago, mostly so the club could report on the poker run event)

Meeting Adjournment: 7:31pm
